

## **May is Lupus Awareness Month! Join DxTerity in support of efforts to advance lupus research**

May is **Lupus Awareness Month**, sponsored by organizations like Lupus Foundation of America, Lupus LA, and The Lupus Research Alliance. DxTerity is proud to support these organizations in advancing lupus research and awareness.

Public awareness of lupus remains low. According to the Lupus Foundation of America, nearly two-thirds of the public knows little or nothing about the disease beyond its name. It's time to change this! Join the growing number of individuals, communities, companies like ours, and media that pump up the purple for Lupus Awareness Month.
