About SWK Holdings Corporation

SWK Holdings Corporation is a life science focused specialty finance company partnering with small- and mid-sized commercial-stage healthcare companies. SWK provides non-dilutive financing to fuel the development and commercialization of life-saving and life-enhancing medical technologies and products. SWK's unique financing structures provide flexible financing solutions at an attractive cost of capital to create long-term value for all SWK stakeholders. SWK's solutions include structured debt, traditional royalty monetization, synthetic royalty transactions, and asset purchases, and typically range in size from \$5.0 million to \$25.0 million. SWK also owns Enteris BioPharma, whose Peptelligence[®] and ProPerma[®] drug delivery technologies create oral formulations of peptide-based and BCS class II, III, and IV small molecules. With Enteris, SWK has the opportunity to grow its finance portfolio by actively creating a wholly-owned portfolio of milestones and royalties through licensing activities. Additional information on the life science finance market is available on the Company's website at www.swkhold.com.
